FIG. 3

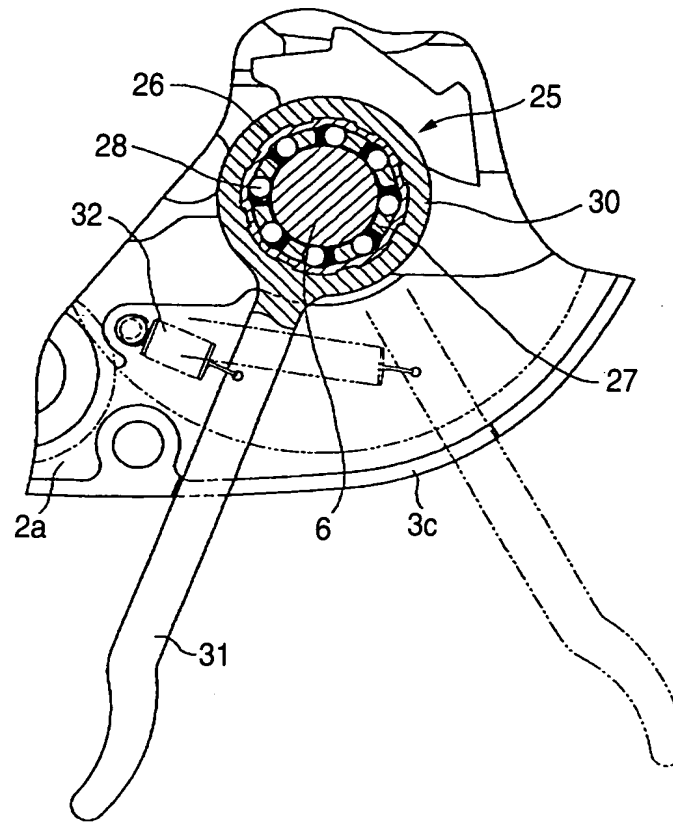

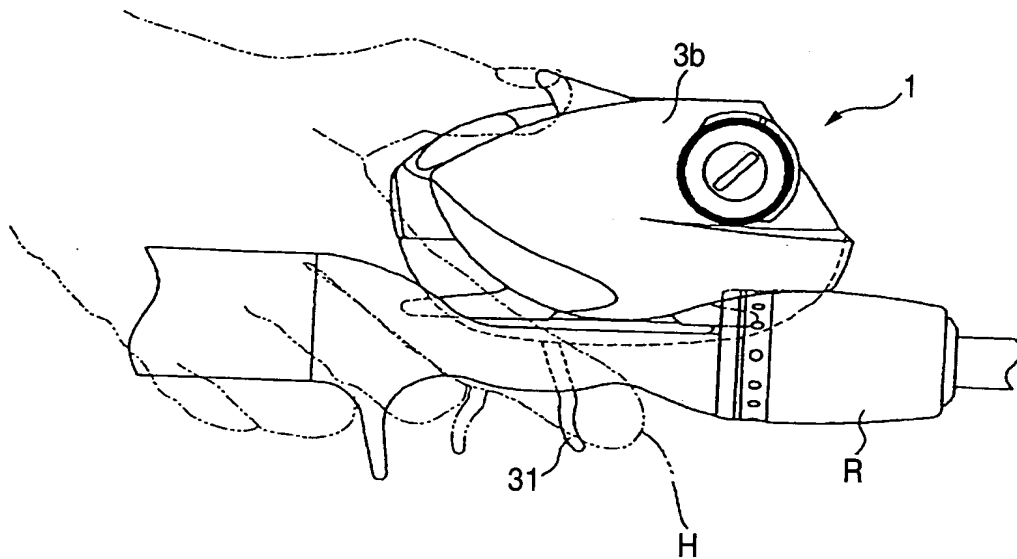

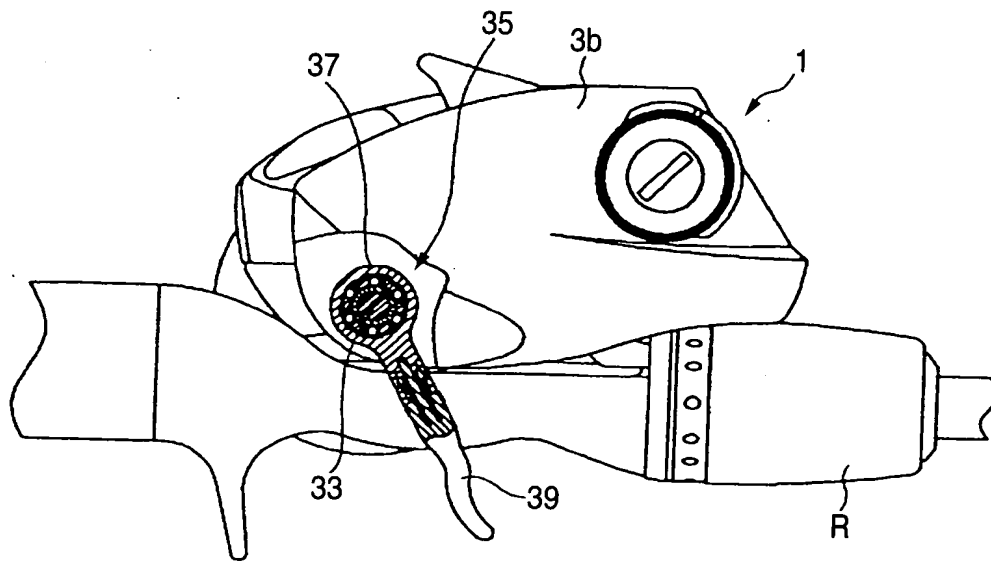

FIG. 4

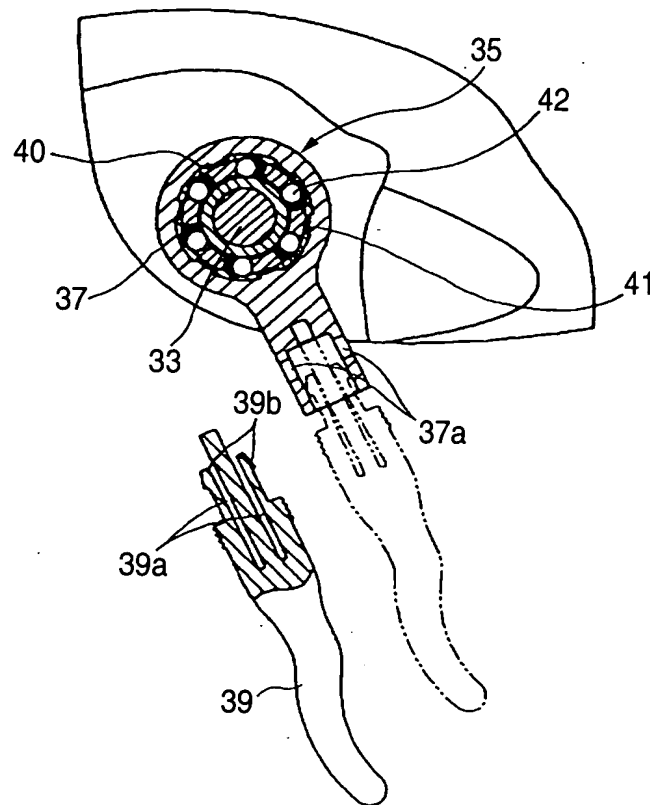

This technical drawing shows a cross-section of a mechanical assembly, possibly a pump or motor. The main body is labeled 1. Key components include a central shaft 7, a rotor assembly 2, and a stator assembly 3. The rotor assembly 2 consists of a rotor core 2a and a rotor housing 2b. The stator assembly 3 includes a stator core 3a and a stator housing 3b. A detailed inset at the bottom shows a close-up of the rotor assembly 2, highlighting the rotor core 2a, rotor housing 2b, and the rotor assembly 2. The inset also shows the stator assembly 3, including the stator core 3a and stator housing 3b. Other labeled parts include 5, 6, 8, 10, 12, 13, 15, 20, 21, 22, 33, 35, 37, 38, 40, 42, and 43.
